

# Prayer Teams

**- connecting nations through prayer and service**

## What is the vision?

To provide opportunities for:

- the encouragement of the Body of Christ worldwide
- nations to work together to extend the Kingdom of God
- the envisioning of Christians to pray for and in other nations

## Getting connected...

The first WPC prayer team journey was to France in 2002. Since then, as relationships have developed, many more teams have been back to France, then Spain, Uganda, Central African Republic, Nigeria and the UK. New destinations open up as God gives the contacts.

## It is a privilege to serve God's people!

Prayer teams, through acceptance, love, humility and prayer, provide an opportunity for all involved to experience the joy of blessing others and being blessed.

## Foundational scriptures:

Ephesians 4, Philippians 2, Proverbs 11 v 25
